

IBA CHATBOT FOR STUDENTS

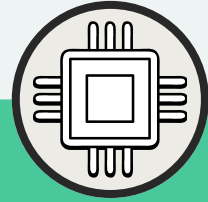

BASED ON RAG

PRESENTED BY:

IRTIZA , AZIZ , USMAN

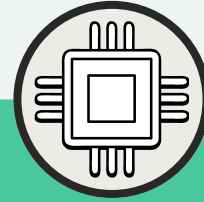

KEY FUNCTIONALITIES

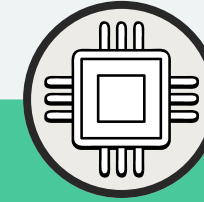

ACADEMIC ASSISTANCE

Provide information on courses, syllabus, exam schedules, and academic calendars.

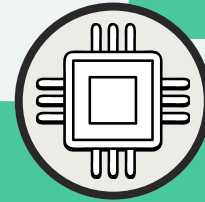

STUDENT SERVICES

Assist with queries related to library services, financial aid, scholarships, and student organizations.

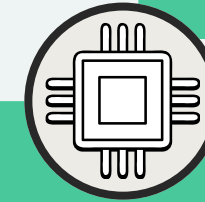

CAMPUS FACILITIES

Offer information about cafeterias, sports facilities, study rooms, etc.

EVENTS AND WORKSHOPS

Update students about upcoming events, workshops, and seminars.

FAQS

Answer frequently asked questions about admissions, exams, graduation, etc

DATA COLLECTION

TO CREATE A COMPREHENSIVE CHATBOT FOR IBA STUDENTS, OUR DATA COLLECTION PLAN INCLUDES:

01

Web scraping IBA websites for academic calendars, course syllabi, exam schedules, library services, financial aid, scholarships, student organizations, campus facilities, events, and workshops.

02

Collecting data from PDFs on IBA's website related to library services, financial aid, scholarships, student organizations, campus facilities, and events and workshops.

03

Gathering FAQs and their answers from IBA's FAQ pages and other relevant sources.
